## PPPC Replacement Adjustable Reluctors

### A best seller!

Our adjustable reluctor is made of a malleable material that allows it to be bent over and over again. Now you can adjust the timing on each cylinder and optimize tuning for maximum horsepower. Available for V-8 and Chevrolet V-6 (even and odd fire). Best used with our reluctor adjustment tool for even distribution and proper fit.

Part #	Description
18500	PPPC Reluctor V-8, .625" I.D.
18500-1	PPPC Reluctor V-8, .622" I.D.
18500-2	PPPC Reluctor V-8, .618" I.D.
